

Photos & Film Prices

Photo Scan Prices

Loose Photos - **\$1.00 each**

Photos in Albums - **\$1.25 each**

Film Scan Prices (basic scanning)

Slides - (35 mm) - **\$1.00 each**

Slides - (110/126/127) - **\$1.00 each**

Negatives - **\$1.00 each**

CD Transfer – Transfer of images, videos, and audio files to a flash drive or external hard drive - **\$1.00 each**

Note: The above prices reflect basic multi-step digital enhancement of photos, such as red-eye correction, basic color correction, brightness, contrast adjustment and dust removal. If you would like me to take the extra time to remove scratches and fix minor tears then double the above prices per photo or slide. **In other words, \$2.00 per slide or photo.**

Photo Restoration - **\$25/hr.** (see note below)

Note: Most of my time and experience is devoted to digitizing analog media formats. Clients have been satisfied with my restored photos. I would be glad to provide examples of what I have done. However, depending on what you want restored, you may want to consider someone who does this full time.
